

Amendment Under 37 C.F.R. 1.312
U.S. Application No. 09/867,705

REMARKS

The changes being made to claims 1 and 11 are simply editorial in nature and no question of new matter or questions of further search arise.

Applicant thanks the Examiner for the telephone conversation of September 13, 2005, during which the Examiner recommended the filing of a Rule 312 Amendment to make certain corrections to the claims as amended by an Examiner's Amendment included in the Notice of Allowability.

The specific changes shown revert certain claim recitations as they appeared prior to the Examiner's Amendment in the Notice of Allowability.

Lastly, Applicant submits that the Examiner Interview conducted on July 7, 2005, as indicated on the Interview Summary mailed with the Notice of Allowance, was initiated by the Examiner. Therefore, no further recordation by the Applicant is believed to be required.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
